General FAQs

Q: How do I log in?

A: Go to the platform URL, enter your email and password, then click Sign In. If your organisation uses SSO, click Single Sign-On instead.

Q: I forgot my password — what do I do?

A: Click “Forgot password?” on the login page and enter your email. You will receive a reset link.

Q: Why can't I see some menu items?

A: Menu items depend on your role and your organisation's settings. Contact your admin if you believe something is missing.

Q: Is my data secure?

A: Yes. Passwords are bcrypt-hashed. Sessions use JWT tokens. MFA is available for admin accounts. The platform is hosted on Vercel with Neon's SOC 2 compliant database.

Practitioner FAQs

Q: How do I unlock the next module?

A: Complete all lessons and pass the quiz in the current module. The next module unlocks automatically.

Q: Can I retake a quiz?

A: Yes — you can retry immediately after a failed attempt.

Q: How do I get my certificate?

A: Your certificate appears automatically after you pass the final quiz in a module.

Q: What is the TTS play button?

A: TTS (Text-to-Speech) reads lesson content aloud. Click the play button at the top of any text lesson.

Careers Professional FAQs

Q: Can I see my students' CVs?

A: Yes — go to My Students and click on any student to view and download their CV (read-only).

Q: Can I assign a job directly to a student?

A: Yes — on the Jobs Board, open a listing and use the Assign to Student option.

Q: How is the AI Careers Advisor report generated?

A: The learner answers 12 questions, then the AI generates a structured report with career suggestions, next steps, and workplace support strategies.

Organisation Admin FAQs

Q: Why is MFA mandatory for my account?

A: Admin accounts have access to all user data in your organisation. MFA protects against unauthorised access.

Q: How do I create a user's account?

A: Go to Users → Add User. Enter their name, email, role, and a temporary password. The user will be prompted to change it on first login.

Q: Can users self-register?

A: No — self-registration is disabled. All accounts are created by admins.

Q: How do I configure automatic meeting links for workshops?

A: Go to Settings → Meeting Settings and enter your Zoom or Microsoft Teams API credentials.
